

THE CONNECTICUT DOG FEDERATION, INC.

BREED INFORMATION DIRECTORY

The Connecticut Dog Federation (CDF) is an association of dog clubs within the state. Its member clubs represent all phases of the world of purebred dogs. The Federation takes pleasure in offering you this Directory of individuals who are members, not of the Federation, but of its member clubs. These individuals are the people who, by dedicating their efforts to the betterment of their breeds, make up the backbone of the dog world.

In issuing this Directory, CDF reserves any judgment as to the ethics of the individuals listed herein. It is the responsibility of the member clubs to assure themselves that their members adhere to high standards of ethics. Pages immediately following this statement of our policy list all member clubs. CDF wishes to be kept informed of any problems regarding the ethics of breeders, and it reserves the right to refuse any listing.

“AKC” - those magic initials. The knowledgeable person knows that **“AKC”** means **ONLY** that the sire and dam are registered, **NOT** that they are sound, healthy, good tempered or well cared for. The American Kennel Club does **NOT** check on the quality of the puppies it registers. Often, the public incorrectly thinks that **“AKC Registered”** is a mark of quality. Remember, it **ONLY** indicates that the puppy or dog is registered or registrable.

It is unlawful to sell puppies younger than 8 weeks of age in Connecticut. Puppies are perishable, subject to all the risks of growing that beset all babies. There are unwritten ground rules understood throughout the fancy which, in general, govern the transactions of reputable individuals. Be sure that you choose a breed that fits your life style.

Officers and Trustees of CDF

See page 16 for 2009 – 2010 CDF officers and Trustees.

Each \$50.00 fee includes \$40.00 to cover the cost of printing and mailing this directory, and a \$10.00 donation to the CDF Legal Fund. Due to escalating production and mailing costs, the hard copy version is provided only to libraries and veterinarians' offices in Connecticut. The online version is available to anyone. Non-renewed listings are deleted from the web site after July 31st.
